Dark Unicorn Games will be exhibiting at the upcoming Carolina Games Summit in downtown Goldsboro on February 4th and 5th 2017.

Dark Unicorn Games will be on-site to demonstrate Super Powered Smash Masters™, a kid-friendly superhero parody card game for two to eight players. It's a great way to share your nerdy interests with your friends and family while also humiliating them with your superior smash mastery.

Johnna Koonce, Executive Producer of the Carolina Games Summit, states "Dark Unicorn Games first entry into the card gaming space is a well polished and fun parody superhero game that can be enjoyed by the entire family; our attendees will not only be able to experience a brand new card game, but also meet the company behind it."

Attendees to the Carolina Games Summit will be able to experience multiple types of non-digital tabletop gaming, including the Dark Unicorn Games exhibit, at the ACME Theater, one of five venues downtown.

Tickets are available to the public and may be purchased online or at the door.
